Re: PETITION TO REVIVE

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Statement of Unintentional Delay Pursuant to 37 CFR 1.137(b)(3)

Sir:

Applicants state that the entire delay in filing the required reply from the due date for the reply until the filing of the grantable petition pursuant to 37 CFR 1.137(b)(3) was unintentional.

Though an office action was mailed in this application on March 17, 2003, a due date for response to the office action was not entered into our docketing system. As a result, a response to the March 17, 2003 Office Action was not filed during the statutory period.

A Notice of Abandonment was received in this application by Applicants on September 30, 2003. Though this petition is being filed more than three months after receipt of such Notice, Applicants state that the entire delay from receipt of the Notice

until the filing of the grantable petition pursuant to 37 C.F.R. 1.137(b)(3) was unintentional.

The Notice of Abandonment issued in this application was received in our office shortly after the departure of three patent attorneys from our office. The departure of these attorneys caused significant changes in case responsibilities for the attorneys remaining in our office. As a result of such changes, the need to file a petition to revive this application was unintentionally overlooked, causing an unintentional delay in preparation of a grantable petition pursuant to 37 CFR 1.37(b)(3).

If any questions remain regarding the unintentional delay in filing the enclosed response, please direct any questions to the undersigned attorney at (650) 564-5106.

The Commissioner is hereby authorized to charge any additional fees associated with this paper or during the pendency of this application, or credit any overpayment, to Deposit Account No. 10-0750.

Respectfully submitted,

Samuel E. Webb
